

PUBLIC MEETING

The Middle Chattahoochee Regional Water and Sewer Authority hereby gives notice that a public meeting will be held to discuss water improvement project funded by Georgia's Drinking Water State Revolving Fund (DWSRF) on Monday, July 25, 2022 at 4 pm in Union City Council Chambers, 5047 Union Street, Union City, GA 30291.

The proposed project includes the construction of a raw water intake on the Chattahoochee River, water treatment plant, distribution system and water storage tank. The water withdrawal, treatment and distribution are needed to serve the current and future needs of the Authority's member cities of Fairburn, Palmetto and Union City. The construction of the proposed project has been included within the District Plan and the member cities respective Comprehensive Plans. The anticipated cost of the project is \$79,325,000.

The purposes of the public meeting are to:

- 1) Inform the public of the need for construction of the improvements for the Authority's water system.
- 2) Comply with the requirements of the Georgia's Rules for Safe Drinking Water and with the public participation requirements of Georgia's Drinking Water State Revolving Fund (DWSRF) Environmental Review Process.
- 3) Encourage public involvement in the development of water system improvements.

During the public meeting the Authority will identify public preferences for alternative methods of securing the necessary water facilities and improvements. These alternatives will be evaluated and included in the Authority's Environmental Information Document and within the planning document covering the water system. These documents are available for public inspection through the date of the public meeting at 5047 Union Street, Union City, GA 30291 during the normal business hours.

Your participation is encouraged and considered essential to the selection and development of the final plan to be adopted prior to its approval by the State of Georgia, Department of Natural Resources.
